

# Pollinator Stewardship Council

## Help Support the Pollinator Stewardship Council

The **Pollinator Stewardship Council** (PSC) is an organization conceived by the [American Honey Producers Association](#) (AHPA). The PSC provides support to beekeepers and pollinators by ensuring enforcement of pesticide laws and regulations and providing guidance and tools to defend pollinators. The Pollinator Stewardship Council also provides legal support to beekeepers in select cases. The Pollinator Stewardship Council also works to raise awareness about potential adverse impacts of pesticides on pollinators important to the supply of food.

Your contribution will help The Pollinator Stewardship Council protect vulnerable pollinators. Thank you for your essential donation to this nonprofit organization.
